Major Projects List 2024

Updated: July 12, 2024

This quarterly update provides a general summary of proposed major development projects within the City of Redlands. The development summary tables are divided by Residential, Commercial, Industrial, and Community Plan project types.

On the accompanying lists, City's staff planner for each project is identified by their initials on each project under the "Planner" column. A staff planner can assist with inquiries related to the Planning process here in the City of Redlands, including any public meetings scheduled for projects.

Please directly contact the Developer on the accompanying lists for up-to-date project details such as construction timing, cost, and future availability.
