Project Updates & Issues

Paving operations are in progress on California Street. The contractor is preparing to begin cold milling and overlay operations on Lugonia Avenue from Research Drive to Alabama Street.

2 Week Look Ahead

The Contractor will continue installing striping and pavement markings on recently paved and slurry sealed locations. Cold milling and overlaying operations will continue on Lugonia Avenue next week. There will likely be no construction activity associated with this Project on the week of Thanksgiving.

Current Construction Process

Construction notices have been given to affected residents. If restricted parking is necessary, "No Parking" signs will be posted 48 hours in advance of construction activities. There are a variety of construction activities currently ongoing throughout the City. Please take the proper precautions, and follow posted construction signs and installed traffic control.
